**LOVING, GROWING and SUCCEEDING TOGETHER**

**06.11.2020**

Dear Parents and Carers,

As your child is now self-isolating, the school will be delivering remote learning, as detailed within the school's plan which can be found on the website.

We will be providing children with work packs; these will follow on from the learning that children have completed in class this week. As of Monday, the school will be uploading short videos that can be shown to your child; these will briefly explain the tasks for that day.

The school requests that you click on the following link and complete a short questionnaire; we need to ascertain which families are able to collect a work pack from school this afternoon and those families who need a work pack delivered. This questionnaire needs to be completed by 12pm today, Friday 6<sup>th</sup> November 2020.

If you are able to collect a work pack from school this afternoon, they will be left in the main reception area. If not, the school will deliver these to you sometime today.

In the interim, your child will be able to access the following websites to complete learning activities at home today.

Many thanks for your understanding in this matter.

Warmest regards,

Mr Rondeau
