

# NURSERY LEARNING OVERVIEW

Spring Term: 2026

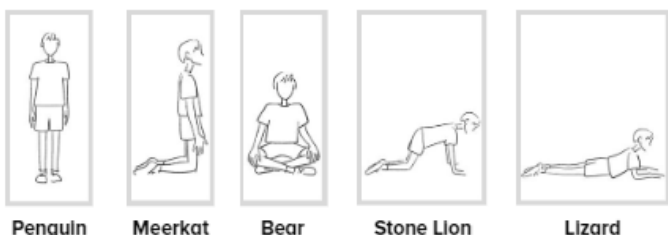

## We will be exploring...

This term we will continue to explore the world around us and the different people that live in it. We will be learning about how people celebrate special occasions such as Chinese New Year, Easter and Mother's Day. We will be taking part in lots of cooking activities to help us to continue to learn about healthy eating such as making a stir-fry by choosing and chopping many different vegetables.

As we move into the second part of the term we will be having some very special visitors in Nursery .....ducklings! The eggs will arrive at the end of February and the children will have the opportunity to see them hatch, hold them and learn how to look after them.

## Kinetic Letters

Penguin

Meerkat

Bear

Stone Lion

Lizard

We are learning how to make our bodies stronger.

These pictures show the different positions we practise in Nursery. Each position helps to build strength in the muscles we will need when writing.

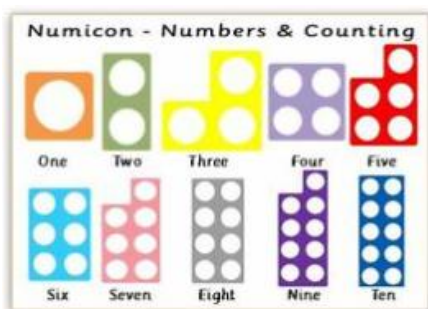

We are learning the names of the positions now so we know them as we move through school.

We love reading in Nursery and this half term our core texts will be:

- Supertato!
- Elmer
- Chinese New Year
- Monkey Puzzle
- Owl Babies
- We're Going on an Egg Hunt

We will also be continuing to learn new Nursery Rhymes which we will share with you each week on Class Dojo.

## MATHEMATICS

We have been using Numicon in Mathematics to help to introduce the mathematical concepts of number, shape, colour, size and pattern to the children. The children love using Numicon and we can already see them developing the skills they will need to be successful mathematicians. We also sing lots of number rhymes and songs and count with resources and fingers as we sing.

## SELF-CONFIDENCE

We will continue to encourage the children to become more independent. This will include things such as putting their coat on by themselves and having a go at doing their own zip. For some children we will work on their confidence with communication, talking to their friends and to familiar adults.

**LOVING, GROWING and SUCCEEDING TOGETHER**
